

**LIVE WEBINAR SESSION:  
NEW AMERICAN RESCUE PLAN ACT (ARPA)  
RESOURCES TO HELP RURAL COMMUNITIES**

Rural Economic Development is dependent on strong partnerships. The North Carolina Department of Commerce Rural Economic Development Division (REDD) works with rural communities from Murphy to Manteo, to provide funding, technical assistance, training, and educational programming that helps communities build capacity and bring great ideas to fruition.

Tune into to this webinar to learn more about the new federal resources available to North Carolina towns and cities from the Assistant Secretary of the Rural Economic Development Division at the NC Dept. of Commerce, Kenny Flowers, and his team members.

**SPEAKER: Kenny Flowers**

Flowers is the Assistant Secretary of the Rural Economic Development Division at the NC Department of Commerce
